

The Mosaic Express is an interactive phosphate industry experience on wheels. This custom 42-foot motor coach provides children and adults with an educational journey through the history, operations and benefits of Florida phosphate and its importance to global farming and food production.

Check out the display of prehistoric fossils, watch corn dance before your very eyes and experience how Florida phosphate plays a part in our watershed, the state's economy, the nation's food supply - and your everyday life!

Interior:

The interactive exhibit encourages visitors to push buttons, spin wheels and slide panels to reveal narrative and moving images - creating a dynamic and memorable experience for all ages. The Mosaic Express incorporates agriculture, geology, biology, ecology and engineering - all disciplines that play a role in our phosphate mining and fertilizer production business.

The Mosaic Express was developed in partnership with Creative Arts Unlimited, Inc., of Pinellas Park, Florida. The Mosaic Express has a wheelchair lift and meets ADA requirements for accessibility.
