

## Charlotte County Government

Public Works Project Status Update

Updated as of: Friday, November 05, 2010

---

**Project Title:** South Gulf Cove Entry Features

**CIP Number:** C410905

**Project Description:** This project consists designing and constructing entry features at the four (4) gateway intersections where San Domingo Boulevard, Ingraham Boulevard, Keystone Boulevard and Appleton Boulevard intersect of Gasparilla Road (CR 771). The scope-of-work includes decorative Entry Signs, will include irrigated landscaping and accented with decorative landscape lighting. The construction will include electric and reclaim water service at each Entry Sign. Additionally, ornamental trees will be planted and curbing will installed at each roadway leading into the MSBU.

**Project Manager:** [Cohen, Barry](#)
