Public Works Project Status Update

Updated as of: Thursday, April 07, 2011

**Project Title:** Water Quality Monitoring Program

**CIP Number:** None

**Project Description:** Charlotte County has entered into a cooperative agreement with SWFWMD regarding the collection of 25 monthly random samples from Charlotte Harbor and 5 from Lemon Bay (Gasparilla Sound). SWFWMD is responsible for collection of the samples and the QA/QC of the data collected, while Charlotte County is responsible for the lab analysis.

**Budget:**

**Design:**

**Construction:** \$80,000/year

**Status:**

The agreement between the County and SWFWMD expired on March 31, 2011. The Board of County Commissioners will hear a request at its April 26 meeting to approve a Third Amendment to the Water Quality Monitoring Cooperative Agreement. If approved, the amendment will extend the agreement through December 31, 2013.

**Comments:**

The funding for this project is split equally between the three Stormwater MSBU's (Mid, West, and South Charlotte).
